budgeting
Fast learner
Time management

Extracurricular Activities

- Active member of the university's Accounting & Finance Club.
- Participated in architectural design workshops.

PROFILE

I am a highly skilled and motivated Frontend Web Developer with a strong commitment to collaboration and solutions-oriented problem-solving. Use various programming languages to create highly innovative and interactive websites. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

Technical Skills

- Web Development: Proficient in HTML, CSS, and JavaScript to create beautiful, responsive web pages.
- Programming Languages: Experienced in writing efficient code in C, C++, and Python.
- Accounting & Finance: Knowledge of basic accounting principles and financial analysis.
- Architecture: Passionate about architectural design and history.

Experience

Frontend Web Developer / Afronex Tech Hub / present

- Developed user-friendly website interfaces using HTML, CSS, and JavaScript.
- Collaborated with designers to implement visually appealing website features.
- Optimized web applications for maximum speed and scalability.

Software Developer Intern / DDU / present

- Wrote efficient and maintainable code in C, C++, and Python.
- Collaborated with a team of software engineers to develop new features for software applications.
